

## Marentic's Monday Memo *(Volume 1)*

Happy Sisterhood & Women's History Month!

## *Vision for the Position*

### *Farwest Member, National Scholarship & Standards Committee*

My vision and goals for the position include coaching and educating our future leadership, upholding the Constitution and By-laws of our Sorority, advocating for the Farwest Region, working as a team with the members of the National Scholarship and Standards Committee and the National Executive Board, and supporting regional leadership in cultivating our sorors with resources for individual and chapter success. I plan to inform and encourage sorors to apply for the Sorority's scholarship opportunities to assist with future studies. I am inclusive, detail-oriented, a team player, and I follow through on tasks. I am also accessible, responsive, and an effective communicator who embodies the characteristics of

our Nine Cardinal Virtues. As the next Farwest Member of the National Scholarship and Standards Committee, I will work cooperatively with sorors to safeguard our Sorority's assets.

### Jewel of the Week - Compassion

“There never was a heart truly great and generous that was not also tender and humane, ever ready to respond to human needs with gentleness and mercy.” Being compassionate, while still ensuring the business of Delta is accomplished, is a skill that requires patience and understanding. This Jewel is dedicated to our Founders, letting us know they led with compassionate attitudes. Members of Scholarship and Standards must exhibit compassionate behaviors when understanding the work that needs to be completed across regions, which can include review of scholarships, decision-making in the best interests of all seven regions, and working as a team.
